Ex Tax: $290.00

Short Description

Capture lifelike images with the compact digital camera.

Description

Shoot rich-quality pictures with this Canon PowerShot 16 MP camera, thanks to its CCD image sensor. Moreover, with an optical zoom of 4x, this black compact digital camera lets you clearly capture distant subjects.

This Canon PowerShot 16 MP camera ensures steady shots even when it is accidentally jerked, owing to its image-stabilization feature. Featuring autofocus mode, the Canon PowerShot SX160 digital camera quickly and accurately narrows down on the subject, so that your subject appears sharp and clear in your recordings.
